

**T**roubles in life can come in these realms: in the spiritual, in the mental, in the physical and in the emotional. But whatever problems you may have, whether it is a

relationship, work or financial problem, we have a God Who fully understands. When our Lord Jesus was on earth 2,000 years ago, problems abounded for Him too. And because He had entered into similar experiences of life that we face, He is able to comfort and help us. Furthermore, Jesus comforts us in our afflictions so that we may be equipped to comfort others in their afflictions with the same comfort we received from our Lord.

Once we know the true and living God, we will have peace. The Prince of Peace will keep our hearts in perfect peace. Even when we walk through the valley of the shadow of death, we will fear no evil for He is with us. His rod and staff will comfort us.

Tonight, many hearts received His peace, and many also received a touch from Him.

**Lynn Ho** had a nasty fall a month ago and dislocated her left wrist. It was so painful that she could not raise her palm to a certain angle. Plagued by pain, Lynn sought the help of a Chinese physician to set it back but it did not help. Last week she came to the Miracle Service. After prayer, she experienced a significant improvement and praised God that her wrist was totally restored and freed from pain.

Two days ago, **Linda Lim** suffered an excruciating pain in her left arm. The pain was so unbearable that she could not even lift her left arm. This affected her movements and she decided to attend Miracle Service for healing. After prayer, Linda received instant healing and was overjoyed that the Lord had lifted all her pain!

**Wong Hon Mun**, 55, unconsciously injured the left side of his rib cage. For more than three weeks, he had to put up with a sharp and severe pain on the left side of his rib cage. He had been attending Miracle Service faithfully for three weeks and felt the pain lessened with each passing week. At the Miracle Service last week, after prayer for healing, he felt a marked improvement. Tonight, the pain was totally gone!

**Agnes Seow** had an agonizing pain in her spinal column. The pain also caused an uncomfortable, tingling sensation. Three weeks ago, she came for bone alignment prayer at the Miracle Service. After prayer, she felt the pain was gone and the tingling sensation also disappeared. Tonight, Agnes gave God all the glory for her healing.

Do make time to join us in our weekly Miracle Service and experience the wonderful touch of God!

**Today's Speaker**  
**Dr David Eckman**

Dr David Eckman is the co-founder and senior lecturer of Becoming What God Intended Ministries (BWGI). He is presently residing in California, USA.

The topics and synopses of his messages for today are as follows:

**A ROLE LIKE NO OTHER**  
9.00 AM SERVICE

God the Father has the pivotal role within the Trinity. That means the ultimate reality is a good Father's heart, not evolution or materialism or any worldly philosophy!

**A FATHER LIKE NO OTHER**  
11.15 AM SERVICE

In Luke 15, we are introduced to an earthly father of the prodigal son who is like no other on earth. The great human picture of God the Father is presented.

**A COMPASSION LIKE NO OTHER**  
3.15 PM SERVICE

His love, as it flows out in compassion and kindness, changes us. We discover that the Father's love goes deeper than the problems of life.

**A DELIGHT LIKE NO OTHER**  
7.00 PM SERVICE

The Father is an attentive Dad, and the Trinity is preoccupied continually with His children.
