MIRACLE SERVICE REPORT

May 02, 2015
Reported by Rita Lim

Satan and all his demonic angels will one day be thrown into the lake of fire called hell.

When we were young, we never knew that our bodies would break down. As the years go by, life takes its toll and we don't have the same level of strength as before. Many are seeking the Lord for a healing touch. And we have a legitimate biblical basis to believe that God heals. Why? As we reflect on the Cross of Jesus Christ, we know that He not only died for our sins but He also promised us healing. By the stripes on His back and through His nail-pierced hands and feet, the body of Jesus was broken for us so that we were healed.

Tonight, Pastor Pacer's message was entitled **Fallen**. The Bible speaks of man's fallen state. Before sin entered the world, there was a fallout in the heavenlies – an all-out assault on God the Creator. All the inhabitants in the heavens were created by God; and one of the spectacular creatures that He created were the angels. However, Lucifer wanted to be God so he decided to rebel against Him. Before all creatures had the capacity to sin, Lucifer was the first to sin. In his heart, he had the conspiring desire to take down the One Who made him. He spread lies and convinced one third of the angels to join arms with him in battle against God. Before a disaster on earth happened, there was a disaster in the heavenlies. Sin began in the heavens when Lucifer said in his heart that he would take over Heaven and be God. But the eventuality is, Satan and all his demonic angels will one day be thrown into the lake of fire called hell. God did not send a Savior to redeem the angels that rebelled against Him.

God made the earth and created Adam and Eve as representatives of the human race. When Satan spread lies, Eve was deceived and Adam rebelled. As a result, both of them were expelled from the Garden of Eden. But God sent his Son Jesus to be our Redeemer. We are more privileged than the angels. A fallen angel does not have access to the Blood of Jesus. Therefore, they have no hope of redemption and their final destination would be the place called hell. But as a human being, if we place our faith in the Lord Jesus Christ, we will experience joy, peace and hope and most importantly, eternal life. Our eternity begins now. When we die, we will be with Him in the heavenlies to enjoy bliss forevermore.

Every single setback, disappointment or wrongdoing we see on earth does not come from nowhere. It happened because of someone's wrongdoing. A simple decision can have adverse ripple effects. Therefore, we are not spared the pain. Such is the fallen nature of man. The Bible tells us that there are people who disregard God to the point whereby they will say there is no God and deny they were made in His image. For them to come to the conclusion that there is no God is an insult to the Creator. Seeking God is one of the premier things the Bible talks about. God made us so that we would seek Him. It is for us to know Him and be known by Him; to love Him and be loved by Him; and to commune with Him and have Him communed with us. Consider the heart of God. God is looking from Heaven to earth to see if we can understand Him and seek Him out. Be seekers of God. If we don't seek God, we will seek anything else. Has God been on your mind lately? What great joy we can have when we spend time with God!

The fool says in his heart there is no God. He doesn't bother what God thinks. If our heart is not for God and we don't get saved, we will never get to know Him. Jesus was sent by God the Father to seek and save the lost. He came to reach out to us, to give His love to us and to tell us the way to the Father. The Bible says that we have all fallen away and we have become corrupt; that there is no one who does good, not even one (Psalm 53:1-3). When Adam and Eve sinned, any good they did was not good in the eyes of God. He alone is perfect, completely stainless and pure. You cannot save yourself. There is no way except through Jesus Christ. Your good works are not good enough to get you to Heaven. How then can you be saved? The remedy is to repent, turn from your old life and come to Christ with a clean heart for His forgiveness (Acts 2:38).

Tonight, many gave their sicknesses to Jesus in exchange for His healing. By His supernatural power, they were free from their sicknesses. Here are some of their testimonies.

In December last year after a colonoscopy, Andrew Lee was found to have ***multiple bleeding ulcers***. He was given medication for two months. The cramps did not go away. In March this year, he started coming for the Miracle Service. Last week, he went for his medical examination and it was confirmed that he was totally free of stomach ulcers.

Annie Yue had ***problems with her left knee***. For a few months, she was unable to squat and had great difficulty in walking. This was her second visit to the Miracle Service. Tonight, she testified that she was 90 percent free of pain.

Lee Yuet Ho, aged 86, shared two testimonies. She had ***a painful spur behind her left ear***. The doctor did not advise her to go for surgery because of her age. So instead of surgery, she has been coming to the Miracle Service for many years. Tonight, there was no more pain but a slight itch. She also had ***a lump on the left side of her body and another on her left forearm***. The Lord had miraculously removed those two lumps as well. Hallelujah!

Rajendran Ganesh Kumar Austin went to Hawaii on a business trip. On his return, he had ***excruciating back pain and diarrhea*** when he landed in Singapore. He went to see a doctor but to no avail. He prayed and God delivered him.

For three and a half years, Irene Chan Ai Wah had some ***calcification in her breast***. Her doctor was concerned that the calcified lumps in her breast could be malignant. Praise the Lord. her last checkup showed that they were benign. Irene also ***suffered a few falls*** and she gave glory to God for His protection as she did not suffer any ill effects.

Seven years ago, Karen Tan-Sam had a ***4 cm thyroid cyst on her neck***. Upon attending the Miracle Service twice, the thyroid cyst subsided without any medication. When she went to the specialists, they could not find any cyst.

Koh Siew Keng gave God the glory for two healings. For 18 years, she suffered from ***arthritis on both hands***. God has progressively healed her and she is now about 90 percent healed. In 2012, she sustained an injury and the ***disc between her L4 and L5 was missing***. Her doctor recommended surgery. However, she asked for a year's deferment. One day in 2013, she ***sustained a fall and hurt her tailbone***. When an X-ray on her tailbone was done, she also asked the doctor to do an X-ray on her L4 and L5. Praise the Lord, the results showed that God had performed a creative miracle. He replaced the disc between her L4 and L5 without any surgical intervention.

Our God is a great God!

GOD'S MOLDING HANDS

By Pastor Rony Tan

Today's sermon is a sequel to Pastor Rony's book, Spiritual Journey.

Jacob desired for God's greatest inheritance but he went about it the wrong way. His brother, Esau, didn't care for his rightful inheritance or spiritual matters.

There was nothing much God could do for Esau. There was, however, much room for God to maneuver in Jacob's life to get him on track, but not without pain and hardship.

God is the Potter and we are the clay. The hardest lesson to learn is to surrender and yield to God. The greatest joy is derived from the glorious results of a yielded life.

BUSING *for* THURSDAY UPPERLIGHT

Good news! From June 4, 2015, we will be providing free bus service to the Thursday Upperlight in Lighthouse Woodlands.

This is to solve the transportation challenges faced by Lighters who are living or working in the eastern part of Singapore but are keen to attend the Thursday Upperlight. In so doing, we will help them to reduce traveling time and do away with the inconvenience of changing buses.

Besides, this implementation seeks to encourage more Lighters to participate in the church corporate prayer meeting. So let us begin to pass the good news around to fellow Lighters and gather them to take part in this important ministry of intercession. Ezekiel 22:30-31 says that we should stand in the gap to prevent the impending judgment of God.

Honor Your PARENTS LUNCH 2015

Reported By Clifford Lam

The Honour Your Parents Lunch 2015 took place on May 1 at Tim Palace in SAFRA Toa Payoh where families came together to honor their parents. The turnout was a good 60 tables of 10 each. Many Lighters brought both their saved and unsaved loved ones to the lunch celebration.

Before the program commenced, some families took pictures at the photo booth specially set up for them. They were then given their photographs to remember the occasion.

The event began with a joyful time of worship led by one of the LEW Upperlight Teams. A quick ice-breaking activity followed which got everybody roaring with laughter and it certainly helped to set the tone for the rest of the celebration.

Brother Peter Simon shared a heartfelt testimony about his past dealings with drugs, gang fights and the occult. Today, he proudly testified how God had blessed him with a very supportive wife, a filial daughter and son-in-law and three wonderful grandchildren.

Pastor Timothy shared from Proverbs 22:1, "A good name is more desirable than great riches; to be esteemed is better than silver or gold." Before a child is born, the parents will anxiously look for a name which they hope their newborn will live up to and achieve great things with their lives. He also shared how God had highly exalted Jesus by giving Him a name which is above every other name; therefore no one can simply ignore the name of Jesus. Pastor Timothy went on to discuss the character traits of Jesus. As the good Shepherd, He not only saves, heals and delivers, but also carries us through the storms of life.

Praise the Lord, when Pastor Timothy made the altar call, five brave souls stepped forward to acknowledge Jesus Christ as their Lord and Savior. The heavens rejoiced and we rejoiced with them because they have found the light.

The event came to a close with the blessed draw where the Top 10 prizes were drawn live on stage. Everyone left that day feeling contented both in their tummies and in their hearts. Truly, a family that eats and plays together stays together.
