

Miracle Service Report

AUGUST 01, 2015
REPORTED BY SARAH KOH

The sermon title for the night by Pastor Pacer was **God and Mortality**. He emphasized that God is immortal, whereas man is mortal. Being mortal men and women, there is nothing as certain as physical death when we breathe our last. Like it or not, one day, our life on earth will be over as it is finite and temporal.

However, the good news is there is eternal life beyond this earthly existence for a Christian. For this purpose, Jesus Christ came 2,000 years ago to bring redemption and salvation to mankind. As such, a believer, who receives Jesus as Lord and Savior, will not be afraid of physical death because it is an open door for his spirit man to transit to the heavenly abode.

Pastor Pacer cited 2 Corinthians 5:1-5 to explain further. Here the Bible tells us that when our earthly tent (body) is destroyed, we have a building from God, a house not made with hands as it is eternal in the heavens. That is why those who

have a grasp of eternal life will be longing for heavenly dwelling. This is our eternal hope because what is mortal shall be swallowed up by everlasting life. Despite the groaning and moaning of this troublesome and fallen world, a follower of Christ possesses great hope and joy to live with Christ forevermore. According to the Bible, God has made us for this very purpose and has given us the indwelling of the Holy Spirit as a guarantee. Be sure that when we surrender our lives to Jesus, He prepares us for eternity.

It is imperative for you to know and decide where your destination will be after your earthly life is over. There are only two places available, either Heaven or hell. Many may not think much about it, but the truth is we do not even know what tomorrow will bring. For our life is like a mist that appears for a little time and then vanishes (James 4:14). Truly, only God knows when we will breathe our last and depart from earth as we ourselves do not have the slightest idea of it. Today, when you hear God's Word, make haste and turn to Jesus Christ because He is the truth and the way to eternal life. Therefore, when you confess and believe in your heart that Jesus is Lord, you are justified and saved (Romans 10:9-10).

When Pastor Rony took to the pulpit during the healing segment, he shared that we must believe that we have received our request from God even before we see it happening. He made special emphasis on this in Mark 11:24, "Whatever things you desire, when you pray, believe that you will receive them, and you shall have them." The key word here is "receive". You may think that how on earth you can receive when it is not given to you yet. Interestingly, the laws of the world and Laws of God are totally different. Hence, spiritual laws are not the same as natural laws. That is why when we encounter a miracle, it shows that something has happened in the spiritual realm against the law of nature.

The Bible instructs us to live by faith and not by sight. Faith is believing in something that is not there yet. Therefore, faith is not a natural force. A natural man will only believe what he can see and has happened. We receive faith by hearing God's Word (Romans 10:17). We need to apply faith by standing firm on the Word and choose not to be moved by natural circumstances. Believing that we have received our request, even though the situation has not changed yet, can be tough. But that is faith, and the only way you can believe that you have received.

Indeed, God sent His living Word and quickened many precious souls to put their faith in Him. We rejoice and ascribe all praise to God for the salvation and healing He has done in our midst. Here are some testimonies for the glory of God:

Tan Tuan Jeng was amazingly healed of **Urinary Tract Infection (UTI)**. Two weeks ago, he had UTI infection. There were traces of blood in his urine and he was prescribed a dose of antibiotics. Recently, he went for a review and found that his condition worsened. The amount of blood in the urine sample doubled that of the previous test. He was recommended to see a specialist. Then it was suspected that there might be stones or tumors in his bladder or kidney. However, he garnered prayer support from Lighters.

He consulted a specialist and samples of his urine were taken for a comprehensive test. An ultrasound and X-ray were also carried out on his kidney and bladder. That week, he attended the Thursday prayer meeting and the church was praying for people suffering from UTI. He began to claim healing for his condition during that prayer. After that, in a review with the specialist, it was discovered that there were no stones or malignant cells in the bladder or kidney and his urine was

clear. The bacteria that caused the infection were also spotted by the doctor. He began to feel better when his urine pattern became regular, and he was glad there was no more pain. Praise the Lord!

Rajalekshmi Rasoo testified that in June, her mum was hospitalized for **kidney failure and renal dialysis**. She had this illness for many years and her body had weakened. At the ICU where she was warded, the doctor did not give her much hope. Rajalekshmi came to the Miracle Service to pray in proxy for her mum. Miraculously, when her mum was discharged from the ICU, she went home and could walk normally again. Hallelujah!

For 50 long years, Rosalind Yeo had **a lump, the size of a 20-cent coin, behind her neck**. She had been attending and praying at the Miracle Service for the last six years. Last Saturday, her friend encouraged her to go forward for the healing prayer and she did. The following Monday, the lump burst with all its discharges, flattened and disappeared for good!

Four years ago, Stephanie Choo had **cancer of the lymph nodes**. After a series of chemotherapy treatments, her condition cleared. She was then placed on six-monthly reviews. Two weeks ago, the doctor discovered **a growth in her lymph node area**. Stephanie was concerned and when she heard about our Miracle Service, she attended it twice to pray for her condition. Last week, after a checkup, she was told that everything was normal. What a relief from her fear and anxiety!

Glory to **God**
in the Highest!

Seeking God

BY PASTOR RONY TAN

What does it really mean when we say, "Let's seek God"? What do we seek God for? Do Christians, who have already known His saving grace, still have to seek Him? If so, how do we go about seeking His face?

Today, Pastor Rony will attempt to answer these questions, and more.

Messages in CDs and DVDs may be ordered at the counter.

*Dating and
Courtship Seminar*
PARENTS SESSION

Date : September 5 (Saturday)
Time : 1.30 pm to 4.30 pm
Venue : Lighthouse Tampines

In June, Pastor Sam and Brother Rico spoke to teenagers and young adults about dating and courtship. One of the critical factors in the life of anyone embarking on relationships is parental involvement and accountability. As such, this September, they would like to invite parents to embark on the same journey as their kids, to better equip themselves with biblical principles on relationships.

Some of the topics covered are:

- Dealing with teenagers in this phase of life
- What can I do to support my child in a relationship?
- What standards and boundaries should I place on my child?

You can sign up for the seminar at the LET car porch or LEW lobby after the service.

**WORSHIP
NIGHT
2015**

Jesus is in our midst when two or three of us are gathered in His Name. He also calls us all to worship Him in Spirit and in Truth. Imagine then, what happens when we gather as a church, united in Jesus Christ, with only one agenda - i.e., to worship Him and give Him the glory. Imagine the fullness of His presence, and how we will encounter Him like never before.

So we invite you to gather at 8.00 pm on Friday, September 11, in the LEW Multi-Purpose Hall for a night of worship like no other, for a night of encounter like no other, because the One Who is like no other is calling us to worship Him.

Take the opportunity to invite your pre-believing friends and family to the event as there will be a salvation message preached. See you there!

WRITTEN BY PASTOR RONY TAN

**THE EVER-PRESENT CONTINUOUS
TENSE OF JESUS**

Basically, Jesus makes two claims for time and eternity in connection with our lives. They will affect every man on earth from the beginning of time to the closure of this age. Those two claims are found in John 14:6.

John 14:6

Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

Jesus offers two kinds of life:

- abundant life, primarily for time,
- everlasting life, primarily for eternity.

He is interested in both the quality and quantity of life. He offers a high-graded kind of life for endless ages. One has to be a fool to reject such an offer.

Jesus states in no uncertain term that He is the only exclusive way to the Father. He is the only entrance to salvation in Heaven.

Notice that Jesus doesn't say, "I show you the way, I tell you the truth, and I give you life." But He actually says, "I am the way, I am the truth, and I am the life."

In other words, Jesus is the Source of all things. If you connect your life to His, you will simply know the way when the time comes for you to go Home. Since He is the embodiment of all truths, enjoin your life to His and you will have His truth and wisdom. Since He is the only Source of life, merge your life with His and you will live forever with abundant life.

When Moses met God at the burning bush, the Lord commissioned him to be His leader and deliverer to the Hebrew children in Egypt. Moses had serious reservations about himself.

He asked God, "Who is going to believe me? If they ask me Your Name, what am I going to say to them?"

God said, "Tell them that My Name is I Am That I Am."

That is the first name God gave Himself as a revelation to His people. The phrase "I Am" is more than a present continuous tense. It is an ever-present continuous tense. He never ceases to be. He is all that He is supposed to be to you all the time.

It seems that God wants you to fill in a blank check: I am ...

Now you can simply fill in your need:

- I AM YOUR PEACE
- I AM YOUR LOVE
- I AM YOUR FAITH
- I AM YOUR JOY
- I AM YOUR DOOR
- I AM YOUR HEALTH
- I AM YOUR BLESSING
- I AM YOUR PROVIDER
- I AM YOUR HEALER
- I AM YOUR SHEPHERD
- I AM YOUR GUIDE
- I AM YOUR COUNSELOR
- I AM YOUR PROTECTOR.

You can simply fill in the blank: Jesus Christ is ...
