

My Mess, His Message

By Jaime Wong

In 2013, I reached an all time low and was diagnosed with Borderline Personality Disorder and Clinical Depression. I had become reliant on sleeping pills and was also suicidal. But God kept preserving my life and one day, I was so tired of living that I said these words to Him, **"God, I give up. I'm done with this life! I don't want it. Take it! Do what you want with it."** I know it's not exactly a model prayer but that was the first time I said something to God that I meant wholeheartedly. These words became the defining moment that marked the beginning of an amazing journey of transformation.

As I surrendered myself to God, He began to repair my life and led me through a miraculous journey of deliverance where He healed my mental illnesses. I have been medication-free for 22 months now. When I received my healing, I fell onto my knees and declared, **"Thank you Lord. I want to tell the whole world about You."** These words stirred up something in my heart!

I used to be extremely shy and introverted – speaking only when spoken to and petrified of public speaking. But after declaring those words, it was like God gave my heart a new desire. I was filled with the longing to tell everyone I met all about what Jesus has done for me. I also began to have aspirations to be an evangelistic speaker for God! Today, I'm so privileged to receive invitations to share my testimony all around Singapore. I am in awe of how God has chosen to use a once broken and suicidal Christian to be His channel of blessing to speak hope, encouragement and life to others.

I also used to hate reading and writing as I struggled with English as a language – scoring the lowest in standard for English Literature in Secondary 2 and re-taking the entrance exam into US universities 3 times because I failed English the first 2 times. But after my declaration, God worked a miracle in me. I have read more books in the past 18 months than in my 30 years of life (including my school textbooks). Last year, I even wrote my first book – a 240-page book – called "Chai", which

means 'new life in Hebrew and it is my testimony of all that Jesus has done for me.

Jesus didn't stop at healing my mental illness and giving me a new heart with new desires. He also set me free from the prison of sexual immorality. Almost 20 years of bondage to sexual sins broken in an instant! It's been 22 months and I have been free from pornography and have turned away from same sex desires. I realized I had been searching for love and intimacy in all the wrong places! I have completely lost my sexual appetite for the unclean because my heart had received the pure and perfect love of Jesus.

I used to suffer from a chronic and incurable illness called 'Crohn's Disease' – an autoimmune disease that caused inflammation and infection to my digestive system, causing me to be bloated and have diarrhea during or after every meal. I also used to live on daily anti-histamines because I was allergic to all kinds of things – from animals to insect bites to pollen to certain foods and even fruits, especially kiwis. But Jesus healed all my diseases and allergies. Today, I eat kiwis almost every day now.

Because I had personally received complete healing, I began to believe that Jesus desires to heal not just me but everyone! Over time, my whole being burned with the passion to be sent by Jesus as He had sent His disciples – **"And He sent them to preach the kingdom of God, and to heal the sick."** (Luke 9:2 KJV)

Months later, God sent me to Brazil for my first healing mission trip where I was part of a team ministering God's supernatural power to heal the sick as the leader of our team preached the Kingdom of God. My heart was filled with inexpressible joy as I watched people give their lives to Jesus and as I witnessed miraculous healings – "the blind see, the deaf hear and the lame walk".

God has lifted me out of the place of darkness and despair and radically changed my life! My "mess" has become His "message"! Jesus is the reason I am alive today and He has become my reason for living. I now live to proclaim victory in Him and share His message of hope with the world. The place of my greatest fall has become the place of my greatest call.

Today, I am the Founder and Head Coach of Ignite Tennis Academy.

Our logo has a cross on it and our motto is taken from **Matthew 5:16** **"Let your light shine before men that all may see your good works and glorify your Father in Heaven."** In the past, my desire as a coach was to win matches, tournaments and trophies but now my desire is to win souls for His Kingdom. I am filled with a deep sense of calling to fulfill God's vision and purpose for Ignite, which is to be a place that is dedicated to sharing the love of Jesus – impacting lives and touching the hearts of people through our tennis programs.

All Glory To God!

ARE YOU A DISCIPLE?

By Pastor Rony Tan

Are you a disciple or just a Christian?
You may wonder if there is a
difference between the two labels.

The correct definitions will lead us
to a proper understanding of who
we are and what we are supposed
to do. That in turn will lead our
church to submit to His pattern and
purpose so that we will fulfill our
endtime destiny.

黄耀基牧师 新春寄语

"…忘记背后努力面前的、向着标杆直跑、要得神…的奖赏。"
腓立比书 3:13-14

在这新春佳节, 让我们好好思考保罗的教诲。我们无法改变过去, 也不应该停留在过去。新的一年带来的是新的盼望, 新的抱负和新的开始。

让我们继续坚持等待耶稣为我们所准备的奖赏。“神能照着运行在我们心里的大力充充足足的成就一切, 超过我们所求所想的。”
(以弗所书 3:20)

Miracle Service Report

January 30, 2016
Reported by Edward Lam

Tonight, Pastor Pacer preached a sermon on **Resolving Inner Conflicts**. The text of his salvation message was taken from James 4:1-10.

He began his message by sharing with us that we quarrel because our hearts are not settled. There are dividing passions in our hearts. We quarrel and fight because we don't get what we want. We want more recognition and more possessions, but we fail to obtain them. When we ask God for things, we do not get them because we ask with wrong motives.

Christian living is all about separation from the ways of the world. God wants us to be separated from worldliness. He wants us to take the path of righteousness or the way of light. He wants us to be true disciples of Jesus Christ.

The premise of the Christian faith is that God sent His Son to die on the Cross so that we can have eternal life. We inherit eternal life not because we are good, but rather it is because God is good on our behalf. Once we become a believer, we take on a different way of living. It has to revolve around Him Who loves us and wants us to dwell in His presence.

The dividing passions in our hearts are due to our sin nature. We are never as good as we want ourselves to be. Our thoughts are never as pure as they should be. Our intentions are never as perfect as they should be.

The Bible says that God opposes the proud but gives grace to the humble. We do not like prideful people, but we like the humble. The proud like to show off, but the humble do not give themselves too much credit.

God comes against prideful people. The proud worship sex, money, fame and recognition, but they do not worship God. On the contrary, the humble know that they need God and His help. They want to know this God Who can transform their lives.

The remedy can be found in verse 7. Submit yourself to God because there is no one else you can turn to. When you exalt yourself, you oppose God. However, when you humble yourself before the Lord, He will draw near to you and lift you up.

David Lim

Mavis Kwek

The text of his healing message was taken from Matthew 4:23. The heart of Jesus is love. He loves you in such a way that it cannot be compared. His love for you far supersedes any human love. The heart of Jesus while He was on earth was to go around, preaching the Gospel and healing every sickness among the people. If He can save you from eternal damnation, surely, He can also heal your disease.

Here are two testimonies to inspire you to reach out to God for His healing touch. Due to space constraint, we are unable to feature more testimonies in this report.

David Lim testified on behalf of his 3-year-old daughter, Charis. She suffered from **poor bowel control** for more than a year. Daily she had diarrhea seven to eight times a day with blood in her stools. When David was praying for her daughter's healing, an inner voice spoke to him, "Go to Lighthouse!" So he brought her daughter to the Miracle Service two weeks ago to be prayed for and she received complete healing. Now her bowel movement is back to normal. Praise the Lord!

Kwek Meifang Mavis testified on behalf of her son, Jia Hong, who suffered from **intestinal perforation**. In 2011, he underwent two surgeries to cut away the perforated intestine. On January 26, 2016, the specialist discharged him from further reviews as his intestine is doing well. Jia Hong also suffered from **shortsightedness and lazy eye**. During a medical examination in September 2015, it was confirmed that his lazy eye reading had gone down by 100 degrees. Mavis is trusting the Lord to complete the healing of her son.

He is Jehovah Rapha, our Healer!
