

## Miracle Service

On January 14, 2017

Christ. When we consider that the Almighty God spared not His only begotten Son but sent Him to die on the cruel Cross on our behalf, it amazes us beyond comprehension the extent of God's unconditional grace and love.

To be a child of God, you need a born-again experience. To be born again means not in flesh and blood but in your spirit man (verse 13). It means to receive a brand-new life in Christ through repentance and forgiveness of sin. Only Jesus can forgive sins and cleanse us from all unrighteousness. Then we can start anew with God and come boldly to be connected to the Heavenly Father. Whilst we are on this earth, God desires to dwell among us (verse 14). This shows that God does not dwell in a building, but His indwelling presence is with believers of Christ so that we can witness His fullness of grace and truth.

Notice that unlike all the gods in the world, our awesome God is exclusive and real. You can enjoy a personal relationship with Him because God is for you, with you and wants to dwell in you. For this reason, the final Deliverer came in the person of Jesus Christ to redeem us from sin and shame and reconcile us to God. The Bible clearly tells us for God so loved the world, that He sent His only begotten Son, that whosoever believes in Him should not perish but have everlasting life. The Creator God longs to take up residency in your heart and life. What a great offer that is not to be missed!

Christ Jesus came to salvage us in perfect grace and truth. He revealed the truth that we are sinners deserving eternal damnation. But His grace shows us He came to save and deliver mankind from sin. Therefore, Christ is the perfect embodiment of grace and truth. As such, from the fullness of Christ, a believer has received grace upon grace to live a purposeful life. Grace upon grace means an overflowing effect of the unmerited favor of God poured in abundance upon us through Jesus Christ.

In the Old Testament, the law was introduced through Moses at Mount Sinai when the Israelites came out of bondage in Egypt. The law was based only on truth and the people

kept breaking the law as they lacked the grace to help them keep it. The law reflected on their transgression and was insufficient to deliver them from their sin condition. However, when Jesus came, grace and truth are given to us from His fullness. We receive grace upon grace when we believe and receive Christ (verses 16-17). Hence, salvation is through the sheer grace of God that redeems us from sin and eternal death, from the gutter-most to the uttermost!

Jesus Himself is the Sacrificial Lamb of God Who personally laid down His life for you to bring a living hope with everlasting life. When you give your heart to Christ and experience His grace upon grace in your life, you can trust Him not only for salvation but also for healing of all sicknesses. In His fullness, God is a Specialist in every sickness and situation to set you free. So do not limit the unlimited God!

Tonight, as the congregation sang and worshipped God, exalting the powerful Name of Jesus, the awesome presence of God graced the Miracle Service.

God graciously sent His Word and stirred many precious souls who received Christ as Lord and Savior. We rejoiced with numerous who were wonderfully touched by the unlimited power and grace of God. Here are some who shared their healing experiences:

Steven Tan had a **large kidney stone more than a year ago**. He did a procedure called blasting and the stone broke into two. The doctor suggested blasting it further, but he decided to attend the Miracle Service and pray for complete healing. Recently, he went for an annual checkup. The ultrasound and X-ray showed no traces of kidney stone. The doctor confirmed that it was gone. Steven thanked God for delivering him miraculously!

June Lim received tremendous healing of her eye condition. She **suffered from serious eye**

**strain. It caused redness in her eyes, blurred vision and heaviness in her head.** Last October, a Gospelighter prayed for her and she felt much better. Progressively, she came for prayer and trusted God to restore her eyes. After that, she went for two eye tests and the last results showed much improvement in her eye conditions of astigmatism and degree. This has encouraged her to believe God for complete recovery of her eyesight. Hallelujah!

Due to her mild stroke, Josephine Yap had to take a certain medication. Then the doctor prescribed a stronger medication. After taking a dose of it, she **coughed blood as there was bleeding in the lungs due to the ill effects of the stronger medication.** She was admitted in hospital. When discharged she came for prayer and trusted God to heal her completely. Recently, the doctor informed that she is well and only needed to come for a check up next year. Praise Jesus!

Seven years ago, Roger Phang suffered two strokes. **After an operation, he would experience a headache before it rained.** Also, **whenever he was excited or stressed, he would feel giddy and faint.** Roger had been coming to the Miracle Service for prayer and trusted God to set him free. He gave glory to God for healing him completely!

Joanne Lim had been carrying heavy things. As a result, **her right hand was strained and painful and she could not lift it up.** Tonight, while she sang and worshipped God, she was able to lift up her hand and then realized that she was healed and restored in the wonderful Name of Jesus!

**GOD'S AMAZING  
GRACE IS SUFFICIENT  
FOR YOU!**

A MATTER OF

# PERSPECTIVE

BY PASTOR SAMUEL SAM

Our view of God will affect how we live for Him. It will either take us to a deeper relationship with God or it will keep us distant and aloof from Him.

This week, we will look at how David, the man after God's heart, lived his life victoriously because of the perception he had of God so that we can learn to live likewise.

**Grace Upon Grace!** was an uplifting message by Pastor Pacer this evening. It portrayed God's undeniable graciousness to fallen mankind. Without the grace of God, we cannot be saved from eternal damnation. The Bible is clear that Jesus Christ is the only passageway for us to have direct access to God, bridging the gulf of sin that separates mankind from a holy God. Hence whilst we were yet sinners, Christ died for us 2,000 years ago and rose again victoriously. This is the sheer saving grace of God!

When sin entered into the world through disobedience, the human race degenerated in sinful nature and has zero access to God. A perfect and holy God detests sin to its core but He loves the sinner. Due to His unconditional love, the grace of God is given through Jesus where we can be saved and called the children of God.

Highlighting the depth of God's overflowing grace, Pastor referred to the passage in John 1:12-17 (ESV). Here it is clear that when we receive Christ as Lord and Savior, God gives us the inherent right to become His children. Hence you cannot know God as your Heavenly Father unless you believe in His Son, Jesus

〈灯塔周记〉  
炭火堆

话说在一个很遥远的地方有一座闪耀的灯塔，日夜给航船指引方向。灯塔里头住着一位打点杂物的老弟兄，陪伴着他的是一只小狗叫智智。问起这老弟兄尊姓大名时他都微笑连声说小名小名。那不是日本名字，而是他有个小名叫小名。再问起他是灯塔的塔长还是站长吗他都只摇头微笑。

这老弟兄在这座灯塔干了多久的活无人知晓，但闲暇时他总爱把所见所闻所想的记在周记里。我们会在《灯塔周记》陆续分享这老弟兄小名的些笔记并希望从中有所启发。

小名老弟兄是个信徒，在他的一个周记里他曾说基督徒的任何聚会都像个炭火堆。

比方说在一个家庭小组里，每一位组员都像是一块块的木炭。每当组员聚在一块，火把一点燃，一块块的木炭开始燃烧成为一个炭火堆。火堆要继续燃烧的话，看顾火堆的人要确定每一块火炭都有足够氧气。

每一块火炭堆积起来的热度和火焰是不容忽视的。它足以燃烧周边的整个区域！如果其中的一块火炭被挪开，热度锐减。那单独的一块渐渐的会熄灭，然后很快很快的完全冷切！炭火堆看起来还是依然在燃烧着，但其实火势已没有之前的猛烈。如果炭火堆里的火炭再一块块的被提走，很快的火焰明显减弱而最终也和那些单独一块的火炭一样熄灭了！

小名老弟兄说在教会的聚会时常有类似现象发生。我们要时时避免或做补救的工作好叫福音的火焰能够继续燃烧。他也勉励在主里的服事团队要切记每一个人所扮演的重要角色，彼此要联系扶持而谁都不能独自离开谁。每一个成员都能积极发挥他在团队里的影响力，发光发热，就像炭火堆里的每一块火炭！

Speak To The Mountains

By M.S. Lowndes

Matthew 17:20 (AMP)

We often think of ourselves as not having much faith. We look at others and think they have a lot more faith. But Jesus said here that even if we had faith as small as a mustard seed, we could do incredible things in God – nothing will be impossible because with God all things are possible. We can speak to our mountains and conquer them with our faith firmly placed in God.

Don't limit yourself. Take your mustard seed of faith today, and see what God can do.

It only takes a little bit of faith to conquer the mountains that we face!

WOW VISION NIGHT 2017  
Courageous

FRIDAY, JANUARY 13, 2017  
Reported by Joyce Villanueva

The WOW (Worship, Operations and Works of Art) Department constantly aims to train and build up a new generation of worshippers, artists and technical crew. And for this reason, about 200 members representing Gracelight, Musiclight, Praislight, Soundlight and Videolight gathered at Lighthouse Tampines for Vision Night 2017.

The night was themed **Courageous: Joshua One**, a powerful chapter that reminds us to claim new land, obey God's commandments and not fear or be dismayed for the Lord is with us. All in all, we are to be strong and courageous as we enter this season.

After a quiet moment of prayer, Evan Tay led the ministry in powerful and declarative worship. Douglas Leong then recapped the year with a presentation that highlighted the work and advancement of WOW over the course of 2016. Whilst looking back, he also looked forward to this year, where the digital creative team will continue to develop strategies to transform and enhance our worship experience.

Rico Ventura then gave a short encouragement entitled **The Arts, Our Weapon**. He explored how worship is a response or expression to a revelation of who God is. Worship is a weapon because in worship, we respond to the Most High and exalt Him. In doing so, we choose to disempower the hold of our trials and circumstances. He encouraged the various ministries to take heart for God wants to use all their expressions of art as weapon of worship for His glory.

Next, Pastor Pacer spoke about worship as a form of warfare. Sharing from 2 Chronicles 20, he reminded us

that as we give of ourselves in the ministry, we should not forget humility. We are to disregard pride, stand firm and put off self-condemnation. Worship is warfare, where the battle is not ours, but God's.

The night closed with the dedication of all ministry heads followed by a time of anointing and impartation where the Spirit of God descended mightily. Ministry members basked in the Lord's overwhelming presence and also prayed for one another. There was a renewed sense of faith and assurance.

The Vision is clear; we are called for the purpose of glorifying God. Worship is something that we do together through skill and art, and it is for no praise of man, but for Christ to be magnified!
