

## Miracle Service Report

On February 11, 2017

Reported by Sarah Koh

It is so heartening to know that our Heavenly Father cares to commune and reason with us. This, in essence, was Pastor Rony's inspiring message **LET'S TALK IT OVER.**

He began his message by reminiscing his primary school days candidly. It was a time where caning was the order of the day for students who answered more than three questions in their tests or examinations wrongly. Teachers would usually walk into the classroom with a cane in the hand. Although there were no failures at the end of the Primary School Leaving Examination (PSLE) and they all made it to secondary school, caning was a painful experience which left a scar of fear in the students.

When he went to secondary school, Pastor wondered how much more canings he would receive because the curriculum would be tougher and the examinations harder. But on the contrary, he was surprised that teachers there were rather friendly and did not use the cane! There was one particular teacher who came to class, introduced himself and spoke to the students like a friend. He will never forget this teacher who told the students that if they had any problems with the lessons taught, they could approach him freely and talk it over coffee! This was like a healing balm to the canings they received in primary school where

students feared and ran away from teachers. So, as a student, he liked and respected this teacher and did well in the subject he taught.

When Pastor became a Christian and was exposed to God's Word, he realized that in the same way, God invites us to come boldly to Him for He longs to talk with us. Isaiah 1:18 (NKJV) says, "Come now, and let us reason together, says the LORD, "Though your sins are like scarlet, they shall be as white as snow; though they are red like crimson, they shall be as wool." Here, God was talking to the rebellious and backslidden people who turned their backs on Him. They were rotten to the core in sin and were not repentant. Yet God graciously and willingly offers to reason together and cleanse them from their sinfulness to start anew. This is the heartbeat of the Heavenly Father, Who is not willing that any should perish in damnation but that all will come to His saving grace and eternal life.

In the first place when God created man, He never intended mankind to die but to reign with Him forever. However, something happened in the Garden of Eden when Adam and Eve were created. They had liberty to eat from any tree in the garden, but were forbidden to eat from the tree of the knowledge of good and evil. God specifically told man, "You will surely die," if he ate from the forbidden tree. Deceived by the serpent, they crossed the line, disobeyed and ate the forbidden fruit. As a result, sin entered into the world and opened the floodgates of sickness, disease, pain, sorrow, torment, wickedness and every evil upon mankind. This means spiritual, physical and eternal death is glaring at the human race.

Hence, the Bible says that it is appointed for man once to die and then the Judgment. Physical death is inevitable on this earth. Every time you see a person in the throes of death, gasping for breath or people crying for a loved one who has passed away, it is a reminder that God has kept His word! However, in reality, physical death is not all there is. What matters is where the soul goes after physical death. The spirit of man encased in the human body will never die though the body decays and expires. At physical death, the spirit (the real person) will be released from the body and catapulted into an eternal abode. So there is a Heaven to gain and a hell to shun. God's Word declares that all have sinned and come short

of the standard of God. And the punishment of sin is eternal death. Hence, we are in need of God's forgiveness and liberty from the bondage of sin and damnation.

For this reason, 2,000 years ago, Christ came to earth in flesh and blood to redeem mankind from the penalty of sin. Think of it, God became a man and subjected Himself to death, even death on a cross. He laid His life down to redeem us because we cannot save ourselves from eternal death and hell. Therefore, God reasons and offers you the only one way in Jesus Christ. That means, in the spirit, you can be born again into the family of God when you receive Jesus as your Lord and Savior. Indeed, this is the good news of the Gospel for every person. Truly, God longs to talk it over with you and provide the only antidote to sin, that is Jesus Christ Himself. Though your sins are like scarlet, they shall be white as snow because Christ can forgive and cleanse you from all sins.

Do not delay, come and engage in conversation with the true and living God today! He is waiting for you with open arms. So do not toy with the idea to wait till the last minute to receive Christ into your heart. For whatever your response may be, it does not change the truth that Jesus is the one and only way to everlasting life. And if you only knew that true love, joy, peace and eternal bliss comes from Christ alone, you will make haste to experience the Savior's touch in your life!

During the healing segment, Pastor highlighted that the devil is here to steal, kill and destroy. But Jesus comes to give us life, and have it more abundantly. So come believing, for all things are possible when you trust Him. Tonight, we ascribed all praise to God for the salvation and healing He had done in our midst. Here are some testimonies to glorify God:

Merci Misa had **rashes on both arms**. She came for prayer tonight and after that, all the rashes were gone for good. Also, for two months, she came to **pray for her son's studies** in the polytechnic. The exam results were out and he **scored distinctions in all his subjects**. Hallelujah!

Zheng Yu Li suffered from **low blood platelet count**. Half year ago, she had appendicitis and went through an operation. Despite that, her blood platelet count improved and increased miraculously. She praised God for the improvement in her condition after a recent checkup.

**For five years**, Chia Tien Hua suffered **much pain in her right kneecap**, especially when she walked up and down the stairs. After prayer tonight, she was delighted with the improvement. Eighty percent of her pain was gone. Praise God!

Last October, Fauziah Begam Gilbert was unwell with **heavy menstrual flow for one whole month**. She prayed and also consulted a gynecologist. A scan was done. The results indicated that she had **several polyps in her uterus and her uterus wall was thickened**. She was scheduled for surgery. At this time, her blood count was low due to the heavy bleeding. So the doctor informed that a blood transfusion might be needed if the blood count dropped further. She prayed against it and claimed that she was delivered by the Blood of Jesus. Praise God, the heavy flow stopped completely the next morning. After the surgery, a biopsy was done and there was no trace of cancer.

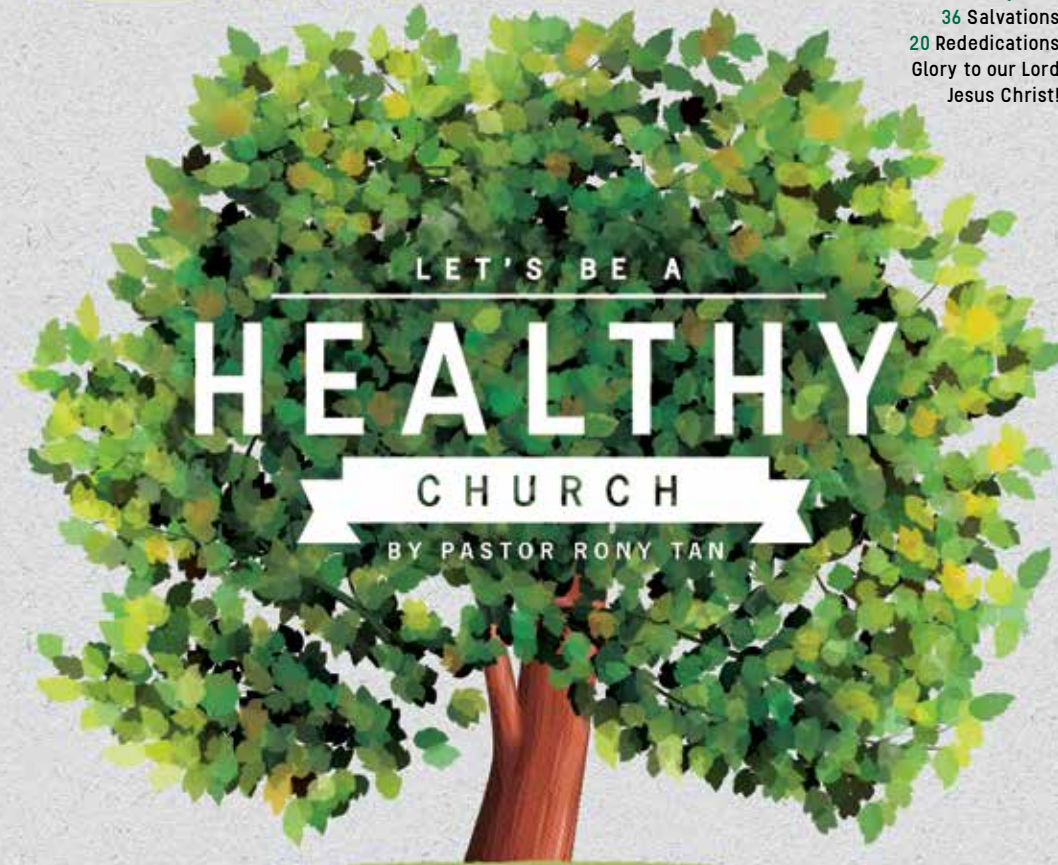

And last month, a tiny **cyst on her lower back grew larger over time** to the size of a table tennis ball. It became infected and then **enlarged to the size of a golf ball**. As it was badly infected, she could not bear the pain. She underwent surgery to remove the cyst which left a deep open wound. God graciously healed the wound as the ongoing dressing continued. It was at that point, she **started to have bleeding again**. Bearing in mind that Jesus healed the woman with the issue of blood in the Bible, she prayed against the root cause of the recurring bleeding. Miraculously, the bleeding ceased in Jesus' name!

**COME TO JESUS TODAY.  
HE IS ALL YOU NEED!**

Why are so many Christians sick? Should we accept it as normal? If not, how are we supposed to go home to be with the Lord? Is it wrong to see a doctor when I am sick? What is the scriptural course of action to take if I am sick?

Pastor Rony will be addressing these concerns. For your spiritual development, come prepared to take notes.

金句良言-  
歌罗西书3:23

~ 无论做什么，都要从心里做，象是给主做的，不是给人做的... ~

主啊，你的智慧来帮助我深深领会以上经节，叫我在职场上；在家务上；在服事上都能够尽心尽意来做。因为在一切的上头主你是我的上司；我所要禀报的主管；我的主。若我讨得众人的认可而失去主你的认同，那只是功亏一篑的零收获！

因此主啊，当我在作销售时我要荣耀你！当在我在家烧菜时我也要荣耀你！当我在服事招待时我更要荣耀你！

Walk In  
The Light

BY DAILY WALK MINISTRIES

Isaiah 2:5 (NKJV)  
O house of Jacob, come and let us walk in the light of the LORD.

Our walk is important to God. He desires that we walk in the light. That means he wants us to live by the truth of His Word and act by it. But it is more than just a bunch of rules and regulations. He wants to walk with us in a personal relationship. Just as you would walk through the park with someone you love discussing all sorts of matters, Jesus desires that with us.

Maturity is the destination. The Apostle Paul tells us that God wants us moving toward maturity. No longer are we doing childish things but through learning and practicing, we have become mature. Pride is a constant stumbling block. It tells us that our way is best. It stunts our maturity and causes us to stumble. Instead we need to humble ourselves and focus on walking in the light.
