

MIRACLE SERVICE

On September 16, 2017

Reported by Edward Lam

Tonight, Pastor Rony preached an inspiring message that impressed upon us the vital importance of speaking right words. It will do us well to glean precious lessons from his sermon and put them into application because it will determine our future and destiny. The title of his message is **God Sent His Word**.

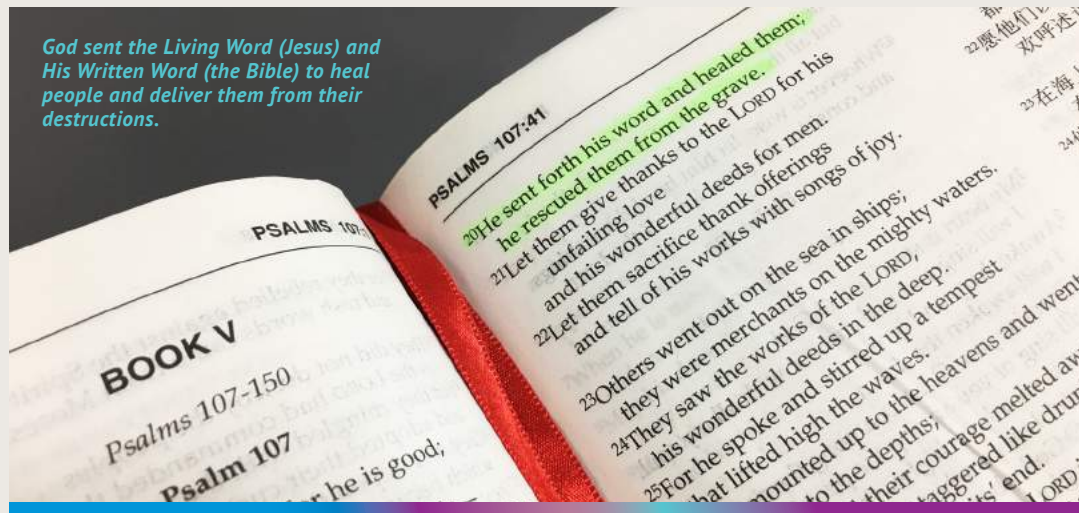

Psalm 107:20 (NKJV) says, "He sent His word and healed them, and delivered them from their destructions."

We face many dangers in this life, all threatening to destroy us. But the Psalmist had discovered that if we were to put our trust in God, our destiny would be secure and our lives would be meaningful, purposeful and fulfilling. If we believe in His Word, we will dwell in the secret place of the Most High and abide under the shadow of the Almighty. No calamities will come near us and we will be saved from destruction.

God sent the Living Word (Jesus) and His Written Word (the Bible) to heal people and deliver them from their destructions.

God's Word is Spirit and Life. It has the ability to develop a spiritual force within our hearts, especially when we take it seriously. When we meditate on biblical verses, they will come alive in us and affect us powerfully. The Word of God is both positive and powerful. It reveals God's will to save, heal and deliver us. Without the Bible, we will never know that God loves us so much that His heart is broken whenever we are sick. He desires that we come to Him willingly to receive His healing. God's Word creates faith in our hearts. The Bible says that without faith, it is impossible to please God. Whenever we hear or read God's Word seriously, faith is imparted into our hearts and spirits. So God's Word is the seed for miracles. This seed must be planted. As we listen to God's Word in the Miracle Service, we will be drawn to Jesus Christ Who died on the Cross for us. And supernaturally, faith will come into our hearts.

In Mark chapter 11, Jesus was teaching and

God sent the Living Word (Jesus) and His Written Word (the Bible) to heal people and deliver them from their destructions.

demonstrating to His disciples a precious lesson on faith. He saw a fig tree from afar and walked toward it as if He was trying to find some figs to eat. Failing to find any fruit on the fig tree, Jesus addressed it by saying, "From now on, no man will eat of your fruit forever." And His disciples heard it.

Something supernatural happened when Jesus spoke those words. But it was only on the following morning that the disciples could see the impact of the Lord's words spoken the day before. Peter was the one who called attention to what had happened. He said, "Master, look at the fig tree that You had cursed. It is withering away."

Jesus answered His disciples, "Have faith in God!" The original text in Greek reads, "Have the faith of God" or "Have God's faith" or "Have the God kind of faith". If we have the God kind of faith, something will happen when we speak by faith. Our words will be as creative as though they were spoken by God Himself. Just as God spoke the world into existence, you can speak in line with the Word of God to change the events and circumstances surrounding you.

Words are a creative force! The words we speak have power. They are more powerful than many people realize. How important it is to speak the right words! We can encourage our family members with the words we speak or we can crush their hopes and dreams by saying wrong,

hurtful words. Parents must watch the words they speak to their children. Words like "You're an idiot! You'll amount to nothing!" must never be uttered. If those words deeply penetrate into the heart of your child and are accepted by him, his future will be ruined. Those prophetic words could well come to pass. So watch carefully what we say!

To receive a healing touch from God, you must pray, trust Jesus and speak the right words. Regardless of the symptoms that are plaguing you, say aloud, "Jesus is my Lord and Healer. He has paid the price for my sickness. Flu (name the sickness), you are not allowed in my body. I resist you and command every flu symptom to leave my body right now. I declare that by the stripes of Jesus, I'm healed. In the mighty name of Jesus Christ I pray." Rejoice in Christ even before you receive your healing from Him. And if doubt creeps into your heart, say aloud, "Doubt, I reject you in Jesus' name. I command you to leave me right now. In Jesus' name I pray."

Jesus shed His Blood for the redemption of mankind. However, the sad truth is not all men will be saved. Only those who believe and trust

in Jesus will receive the gift of eternal life. From Romans 10:8-11, we will know how a person is saved. Firstly, a person must hear the preaching of God's Word. Secondly, he must believe in his heart that what he has heard is the truth. Finally, he must confess with his mouth what he believes in his heart and he shall be saved. Whoever acknowledges Jesus before men, He will also acknowledge before His Father in Heaven.

Dear friends, come and receive Jesus Christ as your personal Lord and Savior. God has a plan, purpose and destiny for your life. You can be a blessing to others. Every day is a new opportunity for you to bless others with encouraging and inspiring words.

Appended below are some testimonies to encourage you to believe and trust in God for His amazing healing touch:

Rita Lim suffered from **chest tightness and breathlessness for 10 months**, especially when she walked fast or climbed up stairs. She went to see a cardiologist and underwent a treadmill electrocardiogram (ECG) test. The treadmill test indicated abnormal results. To verify the results, the cardiologist sent her for a CT scan. Meanwhile, she attended the Miracle Service to be prayed for. The CT scan results indicated that Rita had no artery blockage. Praise the Lord!

Lee Ai Kim suffered from **rheumatoid arthritis for 10 years**. As a result, she was unable to bend her body. After prayer at the Miracle Service tonight, she was able to bend her body without experiencing pain.

Juvy Ne, a visitor from America, **could not lift up her left hand** for two months. After a Gospelighter prayed for her, she was able to effortlessly lift up her hand. Praise God!

**WORDS ARE A CREATIVE FORCE!
SO WATCH CAREFULLY WHAT WE SAY!**

purity and holiness

The scripture commands us to be holy as the Lord is holy. In the world we live in, right has become wrong; wrong has become right.

What once was a virtue is now considered silly. As a people of God, we need to recover what has been lost. May we be a people after God's own heart!

The Seven Vials The Ark's Door Is Shut

Next Sunday, October 8, Pastor Rony continues his Understanding the Book of Revelation series, The Seven Vials – The Ark's Door Is Shut.

One of God's judgments will come in the form of an unusual war. Come and learn as Pastor gives more insights to:

- What kind of war is it?
- Which nations are involved in this war?
- What is the cause of this war?
- Is this the Armageddon War or the Gog and Magog attack on Israel?
- Is this the final war before the end of the age?

An Excerpt From The Book Convictions To Live By

By Pastor Rony Tan

1 Timothy 4:1-2

1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;
2 Speaking lies in hypocrisy;
2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;

2 Timothy 4:3-4

3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;
4 And they shall turn away their ears from the truth, and shall be turned unto fables.

Matthew 24:4-5

4 And Jesus answered and said unto them, Take heed that no man deceive you.
5 For many shall come in my name, saying, I am Christ; and shall deceive many.

Warnings From The Bible

All these warnings were given several thousand years ago and yet they sound so current. They read like today's newspapers. Both young and immature Christians are so prone to having itchy ears. This itchy-ear syndrome is a frightening problem. God's unchanging truths are often neglected and unapplied yet these people are craving to hear something new, something exciting and something fascinating. It is better to make fresh applications and experience new dimensions with God based on sound, old truths than to embrace new, thrilling but dangerous teachings.

Simple basic truths unapplied usually lead Christians toward a subtle unbelief in Christ. As a result, they will eventually "not endure sound doctrine". Soon they will be fascinated with twisted truths and lies of the devil.

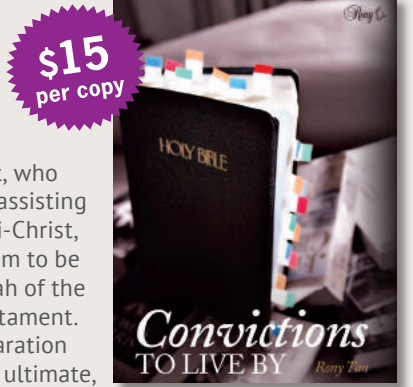

There are thousands of cult groups all over the world with millions of followers. Many of the cultic teachings are so ludicrous that they are more absurd than fables. Yet people believe them and live by those destructive teachings.

We know that the real and final Anti-Christ will some day present himself as the Messiah of the world, claiming to have the only right way to life. We also know that the false

prophet, who will be assisting the Anti-Christ, will claim to be the Elijah of the Old Testament. In preparation for that ultimate, godless rulership, Satan has been presenting countless claims by different individuals as the Messiah or Elijah.

When we had our first national crusade in Singapore, an Indian man insisted that I should see him. He ordered my crusade director to summon me because he claimed to be Elijah who had a message for me. Yes, we are certainly living in the last days.

Let me repeat the spiritual warning. When God's powerful truths are left unapplied, the negligent Christian will begin to lose the reality of Christ in his soul. This will lead him to become wearisome of sound doctrines. Or, as the Bible puts it, he will not endure sound doctrines and will become vulnerable to the devil's deception.
