

WHEN THE DUST
Settles
By Pastor Pacer Tan

Today's sermon will equip us to look at the storms of life with God in mind.

Besides waiting for the turbulence to calm down,
the Scripture gives us powerful truths that can anchor our souls.

Meet *Jesus* the Lamb of God

On 15 December 2018
Reported by Edward Lam

To meet Jesus Christ as the Saviour or the Judge is your choice. That was the drift of tonight's message by Pastor Rony.

Sin is the root of all evil in the world, and the only cure for sin is Jesus Christ, the Lamb of God. He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

In the Old Testament, God commanded the Israelites to perform animal sacrifices according to certain procedures so that they could experience the forgiveness of sin. Firstly, the animal had to be unblemished. Secondly, the person offering the sacrifice had to lay his hands on the head of the animal to symbolise that it stood in sin on his behalf. Thirdly, the person making the sacrifice had to kill the animal; for without the shedding of blood, there was no forgiveness.

Animal sacrifices for sin were only temporary and it foreshadowed the ultimate and perfect sacrifice of Jesus Christ for the sins of the world. In the New Testament, Jesus came to John the Baptist to be baptised. When John saw Christ, he announced the coming of the Messiah and remarked, "Behold! The Lamb of God who takes away the sin of the world!" John recognised that Jesus, like the innocent animal sacrifices, would have to shed His Blood so that sins could be forgiven once and for all.

Seven hundred years before Jesus Christ came to earth as a Man, Isaiah the Prophet also prophesied that He would come into this world to save us. Jesus, the Lamb of God, was brutally tortured and nailed to the Cross. Spilling His precious Blood, Jesus took the punishment for our sins so that we could be completely forgiven and cleansed. He also bore our pains and carried our sicknesses so that we could be healed.

Let's come to Jesus and face Him as the Lamb of God or Saviour while there is still time. One day, every person, who has ever lived on the face of the earth, will be resurrected and will stand before the judgement seat of the Lord. And if anyone's name is not found written in the Book of Life, he will be thrown into the lake of fire. Now is the time to make the right choice so that you will inherit eternal life with God.

Felicia Ong **failed to conceive after six years of marriage**. She underwent the IVF procedure for the first time, but had to abandon it half way due to a health issue. Two years ago, she and her husband started to attend the Miracle Service faithfully to believe God for a child. Recently, she underwent the IVF procedure again and the doctor had confirmed that she is now over three months pregnant. Praise the Lord!
