Verse 1

When I come into this holy place
I see the image of God
I long to see Your face to face
I bow down and cry
I long to feel Your touch again
Touch me O God
Fill me with Your love Lord once again

Chorus

I am on my knees
I am on my knees
As I pray for forgiveness
You show me the way
I am on my knees
I am on
On my knees
Teach me O Lord
I am on my knees

Verse 2

When I'm on my knees O Lord
I worship You alone
Lifting up holy hands
I cry out to You
I long to feel Your touch again
Touch me O God
Fill me with Your presence once again
