Assessment Paper: Sure Foundation

This assessment is to be taken by those who are applying for membership in Lighthouse Evangelism. More than merely reading the textbook for the purpose of answering the questions in this paper, this entire exercise should strengthen your spiritual life.

Therefore, please read the entire book prayerfully before you answer the questions. You are allowed to refer to the book as you write your answers. You may also answer in point form.

However, you must not copy from somebody's answers. Neither should you avail your answers to anyone taking this assessment. Please write neatly.

1. Explain the difference between a critical need and a felt need.

2. Based on the Great Commission, what are the two objectives every church must adopt?

3. In what way is the relationship between the church leadership and the members similar to a fulfilled marriage?

4. If you do see something wrong within the church, what should you do?

5. Give at least 2 reasons why a member should tithe faithfully to the Lord through his church.
